Full Text of Listing

The Energy Studies Institute at the National University of Singapore invites applications for the position of Research Fellow in Energy and Economic Policy. Candidates must have a Ph.D. in Economics or expect to complete their Ph.D. by August 2010. Priority would be given to candidates with expertise in the institute's principal areas of interest: CGE and Energy-Economy Modeling (e.g., MARKAL/TIMES), Economics of Climate Change, Environmental Policy, and Energy Markets Deregulation. The position offers a competitive salary and benefits package. Appointment will be full time for two years with possibilities for renewal, subject to the completion of a satisfactory probation period for new appointees. The expected start date is June 1<sup>st</sup>, 2010 or earlier if possible.

Application Instructions

Applicants should submit a letter of application, a curriculum vitae, a copy of a relevant publication or paper, and three letters of recommendation. Please send your applications to Dr Tilak K. Doshi (Chief Economist and Principal Fellow) at [esitkd@nus.edu.sg](mailto:esitkd@nus.edu.sg), using the subject heading "Energy Economics Fellow Position".

We will begin reviewing applications on March 31<sup>st</sup>, 2010 and will continue considering them until the position is filled.
